My dear Sir,

I have very nearly finished this letter. I am about to leave your house this evening, and I have been very busy with my travels. I have written to Mr. Johnson about my arrival and have informed him of my plans for the next few weeks. I am very much looking forward to spending time with you and your family.

I have also written to Mr. Smith about my current projects. I will be sending you a copy of my latest manuscript soon. I hope you will enjoy reading it.

I am very grateful for your kindness and hospitality. I will not forget the wonderful meals you prepared for me. They were truly delicious.

With regards,
